# Digital Cinema Concerts

MÉXICO/ ENGLAND

I produced a series of performances and talks about Mexican Silent Film during the revolution and post revolution period through the voice of specialist in the subject.

**Supported by:**

- Mexican Embassy in London.
- National Autonomous University of Mexico in London.
- Film Department-UNAM

# Todxs Juntxs \* All Together

LATIN AMERICA - ENGLAND

[Newspaper link about the campaign.](#)

Digital Campaign supported by Arts Council England.

In response to COVID-19, I developed an artistic campaign which included 26 artists from different countries (Mexico, England, Chile, Cuba, NY, Colombia, Berlin) and artistic disciplines

With the focus on:

- Visibilize their work through mini clips I made with their artistic work and interviews to them..
- Create a dialogue and network between the participants.
- To connect with artist from different places and realities.

# – From My Past To My Future

MÉXICO

Project developed from 2019 to 2020 supported by the **Multilingual and Community Cultural Actions Programme (PACMYC)** in Mexico.

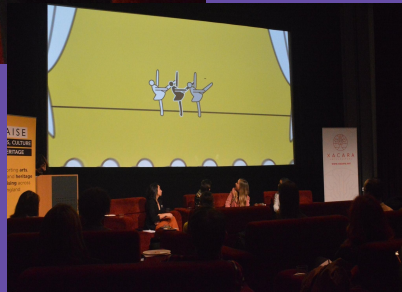

Focused in the strengthening of the **indigenous language, Hñahñu**, through the music-huehuetl (mexican prehispanic instrument).

# How to make front to that monster called money?

Fundraising talk for independent artists.

ENGLAND

I produced this talk, with the support of Arts Council England, Institute of Fundraising London and RAISE arts,culture & heritage.

With the focus in giving advice and support to independent artists for their own projects.

Took place at [FACT](#)

# Global Cultural Leadership Programme

GLOBAL

I am part of this Programme which its main objective is to **support young cultural managers emerging on the international scene**, and coming from 10 partner countries of the **European Union** as well as from **EU Member States**, in developing and strengthening their cultural leadership skills.
